

Other Ocean One of First to Roll its way onto iPad

Develops SEGA's Super Monkey Ball 2: Sakura Edition

CHARLOTTETOWN, PEI, CANADA –April 3, 2010 - Other Ocean Interactive, leading developers of iPhone and iPod touch games and applications, partners once again with Sega® of America to bring you *Super Monkey Ball 2: Sakura Edition* available exclusively for the highly anticipated Apple iPad.

“We are very excited to be part of the iPad launch with this great franchise.” said Andrew Ayre, Other Ocean CEO. “And are very proud to be one of the first developers to have shipped an iPad exclusive title.”

Super Monkey Ball 2: Sakura Edition brings all the fun of the immensely popular console and iPhone hit to the iPad plus 4 new mini-games: Monkey Bowling, Monkey Target, Monkey Golf and the iPad exclusive mini-game Monkey Base. Monkey Base lets up to 4 players fight it out on the same iPad by launching orbs at each other to try to be the last monkey standing. And if all that wasn't enough, players can now experience 10 iPad exclusive levels from the Far East World, in stunning graphics!

“The iPad's hi-res screen and multi-touch makes an amazing difference” says Other Ocean Technical Director, Gordon Wood, “Everything that's great about *Super Monkey Ball 2* can now be played in *Sakura Edition*, only on a bigger screen and with even better graphics, new mini-games and more levels. Fans are in for a real treat.”

The iPad exclusive *Super Monkey Ball 2: Sakura Edition* is now available on iTunes for \$12.99 USD.
